One Day Guided Trips**

What better way to enjoy your visit to Alaska than to spend a day fishing with an experienced fishing guide. Let us show you the most productive and scenic fishing areas that interior Alaska has to offer.

Our guided day trips leave Fairbanks at 7:30 am (or we will meet you in Nenana by prior arrangement). We supply all necessary gear (fishing poles, lures, hip-waders, etc.). You need to bring a lunch and proper clothing for the time of year. We sell fishing licenses or you may purchase your sport fishing license and king salmon stamps on line. Go to ADF&G.

We return to town by 6:00 pm.

Multi-Day Unguided Trips

For the true experience of wilderness fishing, this trip is recommended. Fishing and exploring a beautiful creek and having more time to fish are some of the benefits of an overnight/multi-day trip.

This trip package includes a comfortable remote cabin located on the banks of a spring fed stream. Your cabin is furnished with sleeping bags, pads, propane cook stove, wood stove, cooking utensils, and everything you need to prepare your food (i.e., cooking oil, paper products, plastic utensils). Clients are responsible for their own food. You can purchase all required food in Fairbanks (or Nenana) before you are transported to the fishing area. A cooler is available upon request. NOTE: These remote cabins do not have running water or electricity. Drinking water is provided.

We typically leave Fairbanks at 6:00 pm or we can meet you in Nenana, Alaska (50 miles south of Fairbanks on the Parks Hwy). Unguided trips are evening drop-off evening pick-up (approximately 24 hours). Return to Fairbanks around 8:00 pm. We will make every effort to be flexible about pick up times and can work to accommodate your schedule.

All fishing equipment is provided: Rods, reels, lures, flies and hip boots. We sell fishing licenses or you may purchase your sport fishing license and king salmon stamps on line. Go to ADF&G.
